

## Product Reviews

### Paranormal Product Reviews.

*Paranormal Galaxy Magazine* has an incredible team of international journalists, specializing in everything paranormal.

Product reviews are important to our audience, so we are always on the lookout for the hottest, most reliable and products on the market. We do not pay our contributors to evaluate products, as they expect to receive and keep the products provided by the sponsor. Additionally, we like to coordinate a product giveaway so our readers have an opportunity to win a featured product, as well as it provides additional promotion for the product sponsor.

### How to get your product considered for review?

- 1. Email us.** Send an email to **paranormalgalaxymagazine at gmail.com** with the subject: PRODUCT REVIEW REQUEST – PRODUCT NAME, and include your press materials, link to website and any other supporting product details. If you have specific ideas for a promotion, we would love to hear them, so don't be shy!
- 2. Product samples.** The business must be willing to provide for one product (or set) sample to be reviewed by the *Paranormal Galaxy Magazine* reviewer, and an additional product (or set) for giveaways.
- 3. Coupon/offer.** In the event the product cannot be given away and is a large ticket item, we're open to discussing discounts for our readers.

### What are the benefits of a product review?

- Editorial Coverage
- Free product advertisement in *Paranormal Galaxy Magazine*\*
- Free product advertisement on [paranormalgalaxy.com](http://paranormalgalaxy.com)\*
- Promotional giveaway via social media

\*The business will be responsible for their own magazine ad design and must follow design specs and deadlines. *Paranormal Galaxy Magazine* reserves the right to refuse any advertisement.

**Do you have a product you would like to have reviewed by *Paranormal Galaxy Magazine*?** Please email **paranormalgalaxymagazine at gmail.com** with the details about your product for consideration. *Note: Paranormal Galaxy Magazine will reject products that are not quality or fit our audience demographics.
