and design, and hope our readers enjoy it!

We launched the magazine in June of last year and have been working on bringing on the best creative talent. We have made some internal changes and brought on a new production editor, Jessica O'Herirand HalaDumariehhas joined us as a graphic designer. Jessica is also doing our Paranormal Pop Culture update on our weekly [Paranormal Galaxy Radio](#) show, and the segment is becoming wildly popular with our listeners!

We're excited to introduce a new monthly column that will be written by bestselling author and amazing inspirational advisor, Michele Howe Clarke. Be sure to check out her first article, Wake Up. The Guinea Pig Diaries continues to evolve, in the seventh installment, and Cyrus Yavnehbrings us yet another unique piece, that you won't want to miss.

Thank you to our readers for all of your support and we hope enjoy this March issue.
