Book of the Week

In the three novellas that make up *Working For Bigfoot*, collected together for the first time here, readers encounter Dresden at different points in his storied career, and in Irwin's life. As a middle-schooler, in *B is For Bigfoot*, Irwin attracts the unwelcome attention of a pair of bullying brothers who are more than they seem, and when Harry steps in, it turns out they have a mystical guardian of their own. At a fancy private high school in *I Was a Teenage Bigfoot*, Harry is called in when Irwin grows ill for the first time, and it's not just a case of mono. Finally, Irwin is all grown up and has a grown-up's typical problems as a freshman in college in *Bigfoot on Campus*, or would have if typical included vampires. *Working for Bigfoot*, written by Jim Butcher, is out on Amazon.com on June 30th!
